1. What is coming no one is ready for, not really; not really ready; for the eyes have been so dimmed by self-interest and self-affliction, that yea there is little time for interest in the things of the real. But that is all changing and will change dramatically; in the twinkling of an eye the unreal becomes real to the unreal.

2. See what I have said.

3. I give you Me. I give you this day.

4. Leaders unto Me I bring you/I give you. I host them/I prepare them; yea I am speaking in their temple as I speak; we are one; and the oneness that is coming forth now will stagger the illumination of man's mind, so illusory.

5. Few are prepared, few are ready, few want Me in fullness; few are ready for My fullness who have cried for it for decades; seeking to form Me in their fashion, and fashion Me in their form; and that I will come to them in their temple like they think their temple is.

6. All changes so dramatically and in the host of moments, there is much change; dramatic cataclysmactivity.

7. The more I have given you, the more I have sought to give you, because the more you knew there was, and is, and you have sought the more. You have sought the more, coming into Me day after day/night after night; time after time; slaying what appeared to be real; giving My word precedent and ascribing the really real, the truly real, to only Me. And I bless you, and I raise you, and I raise those now who lift Me and lift My word above theirs; lift the unreal seen-at-the-moment but knowing it to be real; knowing there's more; and so much more in the thought-unreal than the thought-real; and knowing the thought-unreal is immensely/immeasurably more powerful-real and true than the present thought-unreal.

8. I give you Me. I give you treasures many. And if that were not enough, I would give you more.

9. See all things into My hand/your hand; the hands, the heart, the mind of those now that come into you/after you/eat of you/feast upon Me in you/you; and you surpassing Me, and teaching those that want Me truly, to surpass us.

10. Yea I love you and I give you Me, and there is no hierarchy in My Kingdom.

11. I give you this day for a crown not; but a crown of righteousness you wear;
holy and mature, and maturing others;
and I give you praise for loving Me;
and knowing the values of My Kingdom and coming into Me consistently/continuously for more;
and more I give you, the more I have given you, and yea you are the more;
more'ing others now; yea in My name/your name/Father's name; yea for all we/we all are one. I love you. Good day.

12. Thank you for picking up your recorder more and more throughout the day.
Short burst of truth I yea now lay upon the consciousness/conscience of one one'd.

I love you.
Me.
